Miss Ruth Jacobs
372 Central Park West
New York, New York

Dear Miss Jacobs:

Sorry the letter from WNEW was not forwarded.

The FBI picture came directly from the official file. The AP assures me the picture I use on pp.244-5 of WHITEWASH II is entirely unretouched.

Wish I could write more but I just got home after a three-week trip and am swamped. I do thank you for writing, however.

Sincerely,

Harold Weisberg
